June 2002

City of Minneapolis Transportation
And Public Works Departments
City Hall
350 South 5th Street
Minneapolis, MN 55415

RE: Request for approval of the 2002 Minneapolis Aquatennial events and activities.

Cc: Mayor of Minneapolis
All City Council Members
City Engineer – Director of Public Works
Nicollet Mall Advisory Board
Minneapolis Fire Department
Minneapolis Park & Recreation Board
Minneapolis Police Department
Minneapolis Police Reserves
Department of Licenses and Consumer Services
Minneapolis Health Department
Hennepin County Medical Center
Minneapolis Transit Commission
In addition, any other appropriate departments of city management and government.

To Whom It May Concern:

The Minneapolis Aquatennial Association respectfully requests favorable consideration and approval for the following events and activities proposed to be conducted during the 2002 Aquatennial festival, July 19-28, 2002, themed "The Ten Best Days of Summer." The Aquatennial is evolving the festival and is really excited about all the changes this year.

The Aquatennial has met with all department heads, city officials and all those impacted on the proposed events. The Aquatennial has taken and modified this permit to address their concerns and issues.

The most current schedule of events, event maps, and our crisis plan are attached for your reference.

If anyone has any questions or comments regarding this permit request, please contact me at the office 612-338-3807 or cell phone 612-581-7302

Thank you for your continued support and consideration with this request.

Sincerely,

Phil Disch
Operations Manager
Marketing Minneapolis LLC

Aquatennial Crisis Plan

General

The Aquatennial requests that ALL license and permit fees for business conducted under the management of the Aquatennial are waived from July 19, 2002, through July 28, 2002.

The Aquatennial requests that the Minneapolis City Council and the Mayor of the City of Minneapolis decline license requests to ANY peddlers, show or carnival individuals during the month of July without prior notification and approval from the Aquatennial.

The Aquatennial requests permission to paint the "Aqua Line" along the parade route. The line will be placed as close to the street/bus curb as possible to assist police and volunteers with crowd control. To ensure this is done within city code and is professionally done, the Aquatennial requests the painting be done by the Public Works Street Department paint vehicle.

The Aquatennial requests permission to post signs and banners relating to Aquatennial and events held at sites located downtown, including the Nicollet Mall, from Friday, July 2, 2002, through Sunday, July 28, 2002.

The Aquatennial requests permission from the Minneapolis Police Department and Police Reserves to waive parking restrictions for "official stickered" Aquatennial vehicles in hotel, buildings, loading/unloading zones and metered areas from July 19, 2002, through July 28, 2002. All official vehicles will have an official parking sticker attached to the inside (left) side of the windshield and/or an "Official Aquatennial Vehicle" decal located on the doors. The Aquatennial further requests permission to drive "Official Aquatennial Vehicles" down the Nicollet Mall from Friday, July 19, 2002, through Sunday, July 28, 2002. (See attachment for festival schedule)

Parades & Torchlight Run

We request the closure of 4th Avenue between Washington and 4th Street for the Torchlight Parade. We request the closure of 7th Street, 10th Street, and 3rd Ave N near the Rapid Parking Lots, Glenwood Avenue at the 3rd Ave N. intersection.

The Aquatennial requests that all permits be approved to conduct the Torchlight Run on Wednesday, July 24, 2002, beginning at 8:00 p.m. (See attached map for route)

The Aquatennial requests that all permits be approved to conduct the Torchlight Parade on Wednesday, July 24, 2002, beginning at 8:30 p.m. (See attached map for route)

New this year, the Aquatennial will also conduct an airplane flyover of the entire parade route.

Parade Grandstand Seats, Announcer and Portable Restrooms

The Aquatennial requests permission to erect grandstand seating at the following locations for the Torchlight Parade only: both sides of Hennepin Avenue, between 8th and 9th Avenues (new this year). We would request set-up on Tuesday night and Wednesday morning and removing on Thursday morning following the Torchlight Parade.

The Aquatennial requests permission to have parade announcers with a PA system in the Grandstand area. The Aquatennial requests permission to place 24 portable restrooms along both sides of Hennepin Avenue at the Torchlight Parade.

Page 2

Consumable and Non-Consumable Items

The Aquatennial requests permission from the Minneapolis Nicollet Mall Advisory Committee and Minneapolis Health Department to pursue the following programs at or during the Torchlight Parade, Fireworks Show event and other events and activities: (Note: ALL tobacco products will be PROHIBITED.)

The Aquatennial requests permission from the Minneapolis City Council to place consumable and non-consumable concession stands at the following locations: (All vendors will be required to identify themselves as an "Official Aquatennial Vendor" by wearing an identification badge issued by the Aquatennial.)

The Aquatennial requests permission to place food, beverage (soft drinks and water) and merchandise concessionaires (stationary and roving) along Hennepin Avenue, Wednesday, July 24, 2002, from 4:00 p.m. until 11:00 p.m. Stationary stations will not conflict with any of the traffic patterns of vehicles or pedestrians. The Aquatennial also requests permission to place preparation areas for food and beverage concessionaires in various locations one block off of Hennepin Avenue during the same time period. (Torchlight Parade)

The Aquatennial requests permission to place food, beverage (soft drinks, water and 3.2. beer) and merchandise concessionaires, along West River Parkway and West River Road on Saturday, July 27, 2002, from Noon until 11:00 p.m. (Riverblast and Fireworks Show)

The Aquatennial requests permission to place food, beverage (soft drinks and water) and merchandise concessionaires at Lake Calhoun, July 28, 2002, from 7:00 a.m. until 6:00 p.m. (Beach Bash with Volleyball, Sandcastle, Kids' Fishing, Paddling & Milk Carton Boat Races)

The Aquatennial requests permission to place food and beverage (soft drinks and water) concessionaires along the sidewalks next to the plaza of One Financial Plaza from Monday, July 22 through Friday, July 26, 2002, between the hours of 10:00 a.m. to 3:00 p.m. each day. (Plaza Tennis Invitational)

The Aquatennial requests that NO vendor be allowed to sell concession items or give away items that are not sanctioned through the Aquatennial Association within a one (3) block radius of any Aquatennial event from Friday, July 19, 2002, through Sunday, July 28, 2002.

The Aquatennial requests permission to coordinate product sampling at the various events and activities. These items would include individually packaged sampling, breakfast foods, snack items, ice cream products, soft drink sampling and non-consumable products (insect repellent, tanning lotions, etc.)

3.2 Beer Permit***

The Aquatennial requests approval for a temporary 3.2 beer license and a waiver be granted for the license fee for the following preliminary locations:

Within the Fireworks event of the west side of the Mississippi River.

Merchandise and Skipper Pin Sales

The Aquatennial requests permission to sell the 2002 Aquatennial Skipper pins and merchandise downtown from June 1, 2002, through July 28, 2002.

Plaza Tennis Invitational

The Aquatennial requests permission to stage the seventh annual Plaza Tennis Invitational from Monday, July 22, 2002 to Friday, July 26, 2002. The event is scheduled to be held at One Financial Plaza from 9:00 a.m. until 5:00 p.m. weekdays during this one-week period. Zeller Realty, property managers, has granted permission.

Fireworks Finale

The Aquatennial requests permission to stage the Target Fireworks Show on Saturday, July 27, 2002. The show will be done from Hennepin Island/Xcel Island with special effects on the 3rd Avenue Bridge. The show will begin at 10:00 p.m. and end at approx. 10:30 p.m. (This is the same location as last year.)

The Aquatennial requests permission to close the sidewalks of the Plymouth Avenue Bridge at 9:00 a.m. (Security will be on site to monitor this area) and to do a full closure of the bridge at 5:00 p.m. The bridge will open as soon as the breakdown and loading of the equipment is completed. (Approximately 30 minutes after the show.)

Twin City River Rats Water Show

The Aquatennial requests permission to stage this event on West River Road from Monday, July 22, 2002 to Tuesday, July 23, 2002. This event will include water-ski thrill shows by the Twin City River Rats and power boat races, produced by the Twin City Power Boat Association.

The Aquatennial requests permission to close the North bound lane of West River Road (North of the entrance to Broadway Pizza.) The Southbound lane will be turned into a two-way street. (As in 1998 and 1999)

The Aquatennial requests permission to place portable restrooms and trash containers within the event site.

Festival of Neighborhoods

The Aquatennial requests permission to host these events with the Minneapolis Park & Recreation Board in 16 community parks throughout the 10 days of the Aquatennial. Food and beverage will be provided to each park to prepare and serve. The Aquatennial intends on securing athletes from various local sports teams to conduct a sports clinic at each park.

Triathlon

The Aquatennial requests permission to hold the Life Time Fitness Triathlon. The Triathlon starts with a swim at Lake Nokomis, a bike route along Minnehaha Parkway and four city lakes, and finishes with a run around lake Nokomis. (Minneapolis Park Board approved).

American Iron Sculpture Contest

The Aquatennial requests permission to host the American Iron Recycled Sculpture Gallery on the Nicollet Mall. The sculpture contest takes place on Tuesday, July 23rd and Wednesday, July 24th. The gallery will be open to the public for viewing from 10 a.m. to 7 p.m. (NMAB approved).

Half Marathon

The Aquatennial requests permission to stage the 13.1 mile run on Sunday, July 28th at 7:00 a.m. The event starts at Columbia Park, crosses the Camden bridge, crosses Lyndale to Weber Parkway Victory Memorial Parkway, down to Theodore Wirth to Cedar Lake Blvd, to Dean Parkway, to Lake of the Isles and finishes on the north side of Lake Calhoun. The Aquatennial requests that Minneapolis Police support at the necessary city intersections along the course. (Minneapolis Park Board approved).

Aquatennial Hennepin Avenue Block Party

The Aquatennial requests approval of A Central/Neighborhood Business District Block Event Application to Close a Street Request, which has been submitted. The annual event is free to the public and will feature three stages with music. It also will have food and beverage for sale.

Thank you again for your time and continued support. It is a honor and privilege to be the "Official Civic Celebration of the City of Minneapolis"!

Respectfully Submitted,

Phil Disch
Operations Manager
Marketing Minneapolis, LLC

□ Security Planning	3
□ Basic Functions	3
□ Incident Procedures	4
□ Crisis Management Team and Procedures	5
□ Evacuation Procedures	6
□ Pre-Evacuation	6
□ Evacuation	6
□ Weather	7
□ Medical Support Contact Sheet	8
□ Media Contact Sheet	9
□ Sanctioned Events	10

WHAT IS RISK MANAGEMENT?

Risk management is designed to safeguard people, property and assets. More formally, risk management is the process of making and carrying out decisions that minimize the adverse effects of the potential losses of an event.

GOALS OF EVENT RISK MANAGEMENT

- To Provide Safe Community Entertainment
- To Prevent Event Cancellation
- To Prevent Business Interruptions
- Maintain Certain Profit Levels
- To Grow Gradually Over Time
- To Reduce Anxiety About Risk
- To Operate Legally
- To Fulfill Social Requirements
- To Celebrate

SECURITY PLANNING

The purpose of planning security is to provide all people and property at the event with the best possible protection.

BASIC FUNCTIONS

1. To provide a safe, secure environment for everyone present during the event and at the event-related activities.
2. To prevent crime.
3. To control the behavior of spectators.
4. To monitor all admissions and access policies and procedures.
5. To implement emergency services when they are required.
6. To request help when needed from local, regional and federal law enforcement agencies.

INCIDENT PROCEDURES

- 1) Incident occurs.
- 2) Incident reported by citizen or Security calls 911.
- 3) Security notifies the proper law enforcement agent.
- 4) Security or event manager calls appropriate Crisis Management Team member.
- 5) Crisis Management Team member determines next steps based on information from security and witness.
- 6) Aquatennial management and public relations counsel analyze:
 - Current Situation
 - Conduct Emergency Situation Analysis (*attached*).
 - Write down facts (*see attached security report*).
 - Notify PR Director for communication plan.

CRISIS MANAGEMENT PROCEDURES

- ☐ Communicate crisis to the proper agency:
Mpls. Police, Park Police, Fire, Water Patrol, Ambulance (if needed) USE THE CONTACT SHEET
- ☐ Contact to the team members will be via the radio or cellular telephone.
- ☐ Crisis/Security communication plan the following team:
 - Lisa Dinndorf, Director – *Back-up to Molly - Secondary Media Spokesperson*
 - Phil Disch, Operations Manager
 - Todd Klingel, EVP MDC
 - Molly Mulvehill Steinke, Nemer Fieger Public Relations - *Primary Media Spokesperson*
 - Paula Radamacher, C.F. Lake and Company
- ☐ Security is dispatched to essential locations/entrance/exits. They call for appropriate police back up.
- ☐ First crisis management team member to arrive on the scene begins crisis management actions.
- ☐ First crisis management team member to arrive on the scene obtains facts, including name, phone number, address and details of incident: date, time, etc.
- ☐ Determine if other team members should be contacted/on-site and media procedure.
- ☐ Alert Security to route all media. Provide a simple statement to Security and applicable departments on procedures for responding to any incident inquiries.
- ☐ First crisis management team member to arrive on the scene will notify other team members via radio using a pre-determined code word. All detailed communication is to be via cell phone.
- ☐ Team meets at a pre-determined or arranged location (*example: Radisson Metrodome Hotel 615 Washington Avenue*)
- ☐ First crisis management team member at the scene presents facts. Team develops strategy and key messages.
- ☐ Formulate basic media strategy and prepare spokesperson.
- ☐ Communications Agency drafts internal fact statement, as they are known at that time and have the staff review them.
 - Distribute to Security for communications. Develop external statements if necessary. For each piece, note date and time.
- ☐ Monitor situation. Update executive management via telephone with internal and external statements as necessary or on established communication timetable.
- ☐ A crisis management team member will brief the office staff and interns. (*in case of fielding questions*)
- ☐ Schedule (*as needed*) when next internal team meeting time and place.

EVACUATION PROCEDURES

The situation causing an evacuation is our major concern. The major cause of injury during emergency evacuations is panic. There will be a higher likelihood of people pushing and running. There may be an increase number of traffic collisions.

PRE-EVACUATION PROCEDURES

1. Persons coming across a situation determined as dangerous should call for an evacuation.
2. Law enforcement officials should be notified immediately.
3. A close working relationship between people in charge is extremely important: fire official, police official and venue manager. *(for example; divisional director)*
4. Notification will come via radio that all existing exits out of the venue should be open and clear.

EVACUATION PROCEDURES

1. An announcer should make evacuation announcements via public announcement system (PA) when possible. If a PA system is not available use a bull horn or voice to make the announcement. Announcements should be repeated in the same tone of voice.
2. An event should not resume once it is cancelled even if it is learned that the reason for the evacuation will not occur. The reverse flow of pedestrian and vehicle traffic could cause chaos that may result in accidents and injuries.
3. The public should be directed to leave the venue.

WEATHER

(Lightning, thunder storms, tornado)

Phil Disch, as Operations Manager, is the weather advisor.
He will make the final call on canceling or postponing events.

DETERMINE

1. Current weather forecast by weather radar.

CONTACT SHEET

Minneapolis Aquatennial, City & Emergency Phone Numbers

IF THE SITUATION WARRANTS USE 911

(NOTE: Dialing 911 with a cellular telephone will go to the Minnesota Highway Patrol)
